These fixtures will appear in the handbook which will go to print in the near future

### ***Important information applying to all U15s and U18s league games***

For the 2011 Season, the U15s and U18s League tables will be ranked using play-cricket.com's Average Points calculation rather than Total Points as in previous seasons. Average Points does not include the points awarded for cancelled and/or abandoned games and thus is a much better reflection of the performance of a team over a season. More importantly for the present season, Average Points allows us to use a single league table to rank the results from an age group that has, of necessity, been divided into East and West zones with different numbers of teams (U15s and U18s). In the event of teams finishing the season with the same Average Points, play-cricket's displayed Net Run Rate calculation will be used as a decider (as in previous seasons).

### ***Revision History***

<b>Version</b>	<b>Date</b>	<b>Changes</b>
2	19-03-2011	<ul style="list-style-type: none"><li>• The U13s East and West Leagues have been redone owing to the withdrawal of Lindow CC from the age group.</li><li>• Sale has been added to U14s Cup Draw</li><li>• Owing to a ground clash, the U11s game between Wythenshawe and Stretford will be played on 2<sup>nd</sup> May 2011.</li><li>• Lindow and Sale have been swapped between the U18s East and West zones.</li><li>• Average points (see above) now apply only to the U15s and U18s League competitions. Total points will be used for the U11s and U13s Leagues.</li></ul>

## Under 9s Friendly Games

Please note that all teams play each other once. League games are scheduled on a “week commencing” basis i.e. managers are expected to mutually agree a date/time for the game to be played *during the specified week*. These are friendly games and, although the fixtures will appear on play-cricket.com, no league table will be maintained.
